

Extend the Experience...

A visit to ACTIONTOYMAN, provides the opportunity to experience three levels of fun. The main level is full of action figures and collectables. The lower level features comic books. The upper level contains even more action figures with a dedicated space for 12 inch and the Member's Area.

It can take some time to truly see the entire store; MEMBERSHIP extends that experience.

Membership has benefits!

Need to get away and find time to read Comics?

Want a place to meet fellow members and talk?

We know just that place! The Great Room!

Connecting Collectors Everywhere... with Membership Benefits.

We know that our visitors enjoy their time at ACTIONTOYMAN. We found a way to extend that experience with MEMBERSHIP.

Members receive access to the Members Area, an exclusive space in the ACTIONTOYMAN building designed for gathering, social interaction, and events.

The Great Room offers soft spaces and tables for gathering, conversation, and reading areas as well as a Flat Screen Television for premium viewing opportunities.

The Members Kitchen offers amenities such as the Keurig coffee machine and toaster oven for self-service use. Single serving drinks and snacks will be provided for our members' refreshment.

Scheduled gatherings will populate the events calendar and include themed movie nights, game tournaments, and wrestling viewings. Planning for future discussion groups and presentations are in the works. Member suggestions are also welcomed.

Each Member receives the members only 15% off discount on action figures and comic books every time you visit ACTIONTOYMAN!

Members also receive a numbered MEMBERSHIP card to display for access to the Members Area and the Members Only Discount.
